

ERRATA

Publisher's Note: “Errata to Optimally Staggered Finned Circular and Elliptic Tubes in Turbulent Forced Convection, 2007, **129**(5), pp. 674–678]” by R. L. S. Mainardes, R. S. Matos, J. V. C. Vargas^{*}, and J. C. Ordonez

Page 674, left column, 1st paragraph, Line 28: correct to “....up to 23% ($Re_{2b} = 10600$) ...”

Page 674, left column, 1st paragraph, Line 30: correct to “...A relative heat transfer gain of 23% is ...”

Page 675, right column, Line 164: correct to

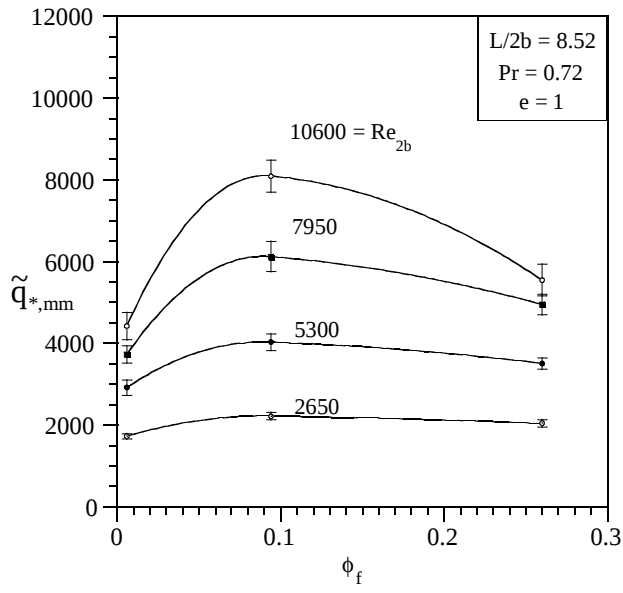

$$\tilde{q}_{*,mmm} = 1299.5 + 0.47003 Re_{2b} + 0.000034064 Re_{2b}^2, \quad R = 0.99053 \quad (10)$$

Page 675, right column, 7th paragraph, Line 168: correct to “...a heat transfer gain of up to 23 % ...”

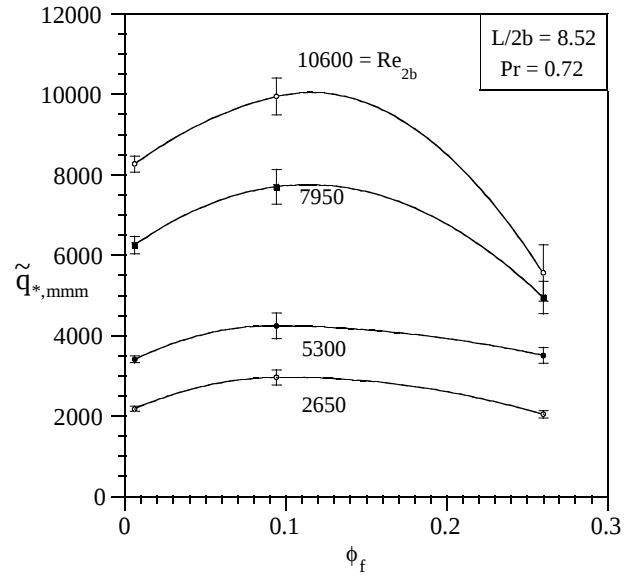

Page 676, right column, 1st paragraph, Line 202: correct to “.... gain of up to 23 % relative to ...”

Page 677: replace Figs. 3 and 4 by the corrected ones in the following page:
